Speedpack

Farm Packer

The Speedpack egg packing machine, packs eggs quickly yet carefully onto 30-cell trays, combining speed (more than 40,000 eggs per hour) with a very compact design.

Key Features

- 40,000 eggs per hour
- Suitable for almost every type of 30-cell tray (cardboard/ plastic)
- Ideal for larger layer operations
- Low cost per egg
- Easy to operate
- Low noise level
- Fits in nearly all packing rooms
- Easy operation with touch screen display

Easy Maintenance

- Stainless steel construction
- Easy access to all vital parts for fast and easy cleaning

Quality Production

- Gentle egg handling
- Only three egg transfer points
- Minimum risk of hairline cracks
